

**REMARKS**

This is in response to the Office Action mailed on January 22, 2007, in which claims 1-38 were pending. The Office Action was a restriction requirement between the device claims 1-27 and the method claims 28-38. Applicant responsively elects the method claims, without traverse. The Office Action also included a species restriction between the species of FIGS. 1-3, the species of FIGS. 4-6 and the species of FIG. 7. Applicant elects the species of FIG. 7, without traverse. Claims 1-7, 11-13, 15, 17-34, 36 and 37 read on the elected species.

The application containing pending claims 1-38 is in condition for allowance. Reconsideration and notice to that effect is respectfully requested. The Examiner is invited to contact the undersigned at the telephone number listed below if such a call would in any way facilitate allowance of the application.

Respectfully submitted,
